

DR. LOUIS-PIERRE GAUVIN MEUNIER,

MD, FRCSC

OVER **8,000** OCULAR
PROCEDURES PERFORMED

EDUCATIONAL BACKGROUND

Dr. Gauvin Meunier received his Doctor of Medicine with a specialization in ophthalmology from the University of Montréal. Prior to this, he studied at the College of Bois-de-Boulogne as well as Jean-de-Brébeuf College.

REFRACTIVE EXPERIENCE

Dr. Gauvin Meunier has experience performing LASIK, PRK, All-Laser LASIK, and Laser PresbyVision™ procedures. He specializes in Refractive Lens Exchange (RLE) and treating cataracts. Dr. Gauvin Meunier currently works as a surgeon and clinician at Institut de l'œil des Laurentides and CIUSSS de l'Est-de-l'Île-de-Montréal.

ACCOMPLISHMENTS AND AWARDS

Dr. Gauvin Meunier is very involved in clinical research and has been the principal investigator in 10 different studies in ophthalmology. He also co-authored a study examining the evolution of corneal transplant in Quebec between 2000 and 2011.

Most recently, Dr. Gauvin Meunier's manuscript "Early Canadian Real-World Experience with Brolicizumab in Anti-Vascular Endothelial Growth Factor-Experienced Patients with Neovascular Age-Related Macular Degeneration: a Retrospective Chart Review" was accepted for publication in *Clinical Ophthalmology*.

In addition, Dr. Gauvin Meunier has been involved in numerous national and international conferences over the years, including as the Co-Chair of the Co-Care virtual meeting in the summer of 2021.
